WHEREAS, in conformity with section 4(j) of the Selective Service Act of 1948, as amended (now the Military Selective Service Act of 1967), the National Advisory Committee on the Selection of Physicians, Dentists, and Allied Specialists was established by Executive Order No. 10166 of October 4, 1950, as amended; and

WHEREAS, in view of the similarity of the health manpower advisory functions of the two committees, the members of the Health Resources Advisory Committee were also designated as members of the National Advisory Committee on the Selection of Physicians, Dentists, and Allied Specialists; and

WHEREAS that common membership was designed to avoid any duplication of functions and to minimize the opportunity for conflicting Federal policies or competing requirements with respect to the use of health manpower; and

WHEREAS that common membership arrangement was discontinued in 1961 and the two committees have had separate memberships since that time; and

WHEREAS, on the basis of experience under both arrangements, it has been determined that the purposes of the two committees can be better accomplished and the public interest would be better served if they share a common membership:

SECTION 1. (a) There is hereby established the National Advisory Committee on the Selection of Physicians, Dentists, and Allied Specialists, which shall be composed of such members as may be appointed by the President pursuant to section 3 of this order.

(b) The Committee shall perform the functions prescribed by section 4(j) of the Military Selective Service Act of 1967, as amended.

In carrying out these advisory functions, the Committee shall provide advice to the Director concerning, among other things, improved utilization and conservation of health manpower, health manpower data collection and interchange systems, the impact of warlike emergencies on the health industry and health services, the national medical emergency stockpile programs, and the vulnerability of the health industry.

SEC. 3. The Committees established by this order shall have a common membership consisting of twelve members to be appointed by the President from private life. Such members shall, in conformity with section 4(j) of the Military Selective Service Act of 1967, as amended, be selected from among individuals who are outstanding in medicine, dentistry, and the sciences allied thereto.

SEC. 4. (a) In carrying out their functions, the Committees shall, as appropriate, consult with the Director of Selective Service and such other officials and agencies as may be appropriate, including the Secretary of Defense and officials of the Departments of the Army, Navy, and Air Force, the Department of Labor, the Department of Health, Education, and Welfare, and the Office of Emergency Planning. The Director of Selective Service and the Director of the Office of Emergency Planning shall designate representatives from the Selective Service System and the Office of Emergency Planning, respectively, who shall attend all meetings of these Committees.

(b) All executive departments and agencies shall cooperate with the Committees established by this order, and furnish them such available information as the Committees may need for the accomplishment of their functions.
